In response to the request for information about our utility customers and ability to pay due to the COVID-19 outbreak, the City of Luverne utilities have implemented the following:

1. Late fees will be waived for all customers during the period of the emergency.
2. Customers will not be disconnected due to non-payment during the period of the emergency.
3. We will continue to work with customers by making payment arrangements.
4. The Luverne Economic Development Authority is evaluating a program that would offer a stop-gap utility grant for local business operations that have been asked to close during the emergency. Details to follow.

Thank you for the information provided.
