Re; In the Matter of a Commission Inquiry into the Service Quality, Customer Service, and Billing Practices of Frontier Communications
MPUC Docket No.: P-407, 405/CI-18-122

Dear Mr. Wolf:

This letter is sent on behalf of Frontier Communications of Minnesota, Inc. and Citizens Telecommunications Company of Minnesota, LLC (collectively, “Frontier”) in order to achieve a timely and pragmatic resolution of notices of public hearings (“Hearing Notices”) by the Executive Secretary, as directed by the April 26, 2018 Order Initiating Investigation and Referring Matter for Public Hearings (the “*April 26 Order*”).

The topic of Hearing Notices and locations for public hearings were first discussed at a meeting of the parties on April 20, 2018 (the “April 20 meeting”), convened by Commission Staff. At the April 20 meeting, Frontier proposed to prepare a first draft of the Hearing Notices, to be sent to Commission Staff, and which Commission Staff instructed Frontier to also send to the Department of Commerce (“DOC”) and the Office of Attorney General (“OAG”). Sending copies to the DOC and AOG was intended to provide an opportunity for input on the Hearing Notices, the contents of which would be determined by the Executive Secretary (as subsequently provided in the *April 26 Order*)

On April 30, 2018, Frontier sent an initial draft of the Hearing Notices (“Frontier Initial Draft”) to Commission Staff, the DOC and the OAG. The Frontier Initial Draft included Frontier’s initial effort to include provisions that “clarify the limits of the Commission’s jurisdiction over internet service” as provided in the *April 26 Order*. Based on the April 20 meeting, Frontier anticipated either a further meeting or the submission of comments and alternatives to Commission Staff by the DOC and OAG. Frontier’s expectation of more discussion in an informal context is reflected in the notation on the Frontier Initial Draft that it was a “DRAFT FOR DISCUSSION ONLY.”

No further informal discussion occurred. Instead: (1) on May 2, 2018, the DOC filed its Petition for Reconsideration and/or Clarification (“DOC Petition”) quoting and challenging the Frontier Initial Draft before providing the participants in the April 20 meeting any prior feedback on the Frontier Initial Draft; (2) on May 14, 2018, the OAG filed its May 14, 2018 Answer to the

Department of Commerce's Petition for Reconsideration ("OAG Answer"), also without any further discussion of the Frontier Initial Draft; and (3) on May 16, 2018, the DOC filed its proposed Notice of Public Hearing ("DOC Draft Notice"). The DOC had provided the DOC Draft Notice to the ALJ and parties on May 9, 2018, and suggested that the ALJ resolve the contents of the public notice at that Prehearing Conference held on May 9, 2018. The ALJ declined to do so, and noted that the content of the Hearing Notices was a matter for the Executive Secretary to resolve under the *April 26 Order*.

Frontier now proposes modifications of the Frontier Initial Draft in order to: (1) facilitate resolution of the contents of the Hearing Notices by the Executive Secretary, as provided in the *April 26 Order*; (2) prevent premature and possibly unnecessary further litigation of jurisdiction-related issues; and (3) resolve the criticism in the OAG Answer that Frontier's Initial Draft is inconsistent with the Commission's position before the 8th Circuit concerning regulation of VoIP traffic, an inconsistency not intended by the Frontier Initial Draft. Specifically, Frontier is providing as an attachment to this letter a revised copy of its proposed Hearing Notices, which revises its Frontier Initial Draft as follows:

"The jurisdiction of the MPUC includes telephone services, but does not include Internet access services or the rates, speed, quality, or availability of access or connections to the Internet services. ~~or the communications services, such as Voice Over IP, that are provided using only the Internet.~~"

Frontier also proposes that other aspects of the Hearing Notice would also be resolved by the Executive Secretary.

Respectfully submitted,

Richard J. Johnson
