Issue: Should the Commission accept the application as complete?

Topic(s) Open for Comment:

- Does the route permit application contain the information required under Minnesota Rules, part 7850.1900, subp. 2 and if not, what deficiencies exist?
- Are there any contested issues of fact with respect to the representations made in the application?
- Should the application be referred to the Office of Administrative Hearings for a contested case proceeding?
- Are there other issues or concerns related to this matter?

Background: Blazing Star Wind Farm 2, LLC has filed a route permit application (see Doc. ID. [20184-141857-02](#)) with the Minnesota Public Utilities Commission for an approximately 7.5-mile, 115-kilovolt high-voltage transmission line (HVTL). The HVTL is proposed to interconnect the proposed Blazing Star Wind Farm 2 to the bulk electric transmission system, all within Lincoln County. The application for the site permit is already proceeding under Commission docket WS-17-700.
