Will Seuffert

Minnesota Public Utility Commission:

Will:

The City of Benson acknowledges receipt of your letter of March 25, 2020 requesting the electric utility to extend the benefits of the cold weather rule indefinitely.

This e-mail is to provide the State with assurance that the city has taken the following proactive measures:

The City of Benson has taken steps to expand and extend cold weather rule protections, suspend customer shut offs, reconnect customers, arrange payment plans, and otherwise help our customers in these difficult circumstances.

Rob Wolfington

City of Benson
