April 2, 2020

In response to the request for information about our utility customers and ability to pay due to the COVID-19 outbreak, the City of Kenyon Municipal Utilities will implement the following through May 15:

1. Extend the protections of Minnesota's Cold Weather Rule by suspending disconnection of residential customers for non-payment of utility bills and reconnecting occupied homes where service has been disconnected.
2. Waive late fees for all customers.
3. Continue to work with customers by making payment arrangements.

Thank you,

A handwritten signature in black ink that reads 'Mark R. Vahlsing'. The signature is written in a cursive style.

Mark Vahlsing
City Administrator
