

Line 3 Replacement Project
PERMIT COMPLIANCE FILING

Permittee: Enbridge Energy, Limited Partnership Route
Permit: Permit
Docket No.: PL-9/PPL-15-137
Permit Section: Section 6.9 - Pipeline Maintenance Shops
Date of Submission: May 5, 2020

Section 6.9 of the Route Permit requires:

The Permittee shall add and maintain two Pipeline Maintenance (PLM) shops between the Clearbrook Terminal and the Minnesota/Wisconsin border. The PLM shops shall be located at appropriate distances from the pipeline route to ensure timely first response.

Enbridge has identified the following two locations for the new PLM shops:

Hill City PLM Shop
601 US HWY 169 S
Hill City, MN 55748

Park Rapids PLM Shop
2018 Commerce Avenue
Park Rapids, MN 56470
