**Subject:** Response Measures to COVID-19

Jessica,

The City of Wadena Utilities are following all three recommendations during the Governor Walz issued Emergency order #20-01.

The City will continue with the extension of the Cold Weather Rule, waive late fees and arrange payment plans for circumstances related to the coronavirus pandemic as long as the order is in place.

Thank You,

*David Evans*  
*Utilities Superintendent*  
*City of Wadena*
